

# Baker's Special Sugar

Our Baker's Special Sugar is made by crystallizing a purified and filtered thick juice syrup removed from sugar beets or sugar cane, which is then dried and screened to produce our finest granulation. It provides fine crumb texture and dissolves easily

## Applications

Bakery products, cocoa mixes, powdered drink mixes/dry mixes and coatings for doughnuts and cookies.

## Packaging

Baker's Special Sugar is available in 50 and 100 pound bags, and 2000 pound supersack.

## General Requirements

This food grade product is manufactured in accordance with Current Good Manufacturing Practices and complies with the Federal Food Drug and Cosmetic Act and all other FDA regulations as well as any applicable state statutes and regulations.
